CHARACTERISTICS

In order to intensify the metal tints of the product, to emphasize the iridescent colours and to make even the fabric in presence of unintentional creases, we suggest to rub it. For ceilings, we suggest to use skimming light.

Applications

Curtains, panels, furnishing, ceilings, glass laminated, partition walls, retail, exhibit.

Manufacture and fixing

Double bend on each side in order to strengthen and protect edges; sewing with sewing machine (needle for jeans and synthetic yarn); double bend on fixing perimeter and clippin on wood frame; closed between two frames; lightly welded on steel frame.

Maintenance

Cleaning with air jet or water moist cloth. No detergent.

Fire behaviour

Fireproof.

Retail

Profumeria La Griffe - Torino
